THE BEST TASTING & HIGHEST QUALITY KOMBUCHA YOU CAN BUY

The only commercial kombucha fermented in glass to prevent plastic and metal leaching. | Hand-crafted in super-small 2.5 gallon batches for premium quality. | Flavored with only the highest quality ingredients, like cold-pressed juice from organic produce. | Nothing artificial or engineered, never pasteurized or carbonated, and no preservatives or dyes. | Proud to make real food and real kombucha.

Ingredients: filtered water, kombucha culture (yeast and bacteria cultures), organic black tea, organic green tea, organic evaporated cane juice (sugar), fresh cold pressed organic juice.

*Our Kombucha is rigorously tested by TTB and KBI certified methods for alcohol, and is sold as non alcoholic, under 0.5% ABV
