PALO ALTO FOODS

FOOD SERVICE SINCE 1968

PRODUCT GUIDE

1000'S OF NEW ITEMS NOW AVAILABLE

HUMBLE BEGINNINGS

Palo Alto Foods is proud to be a family-owned and operated specialty food distributor to the San Francisco Bay Area.

From its very humble beginnings in 1968 as a local, egg distribution business, Palo Alto Foods has grown to be one of Northern California's leading wholesale food distributors, specializing in locally sourced, natural, specialty foods. If the basics are what you need, Palo Alto Foods has that too.

Our family-run atmosphere is tantamount to our success. With many employees who have been with the company for 20+ years, it's no wonder that our company feels like a family. From our office and sales teams, to our warehouse and drivers, we are all one. Because we use our own drivers and trucks, our delivery team takes pride in developing direct, personal, long-term business relationships with our customers, just as much as our sales teams does.
